

EAA Chapter 297 Annual Fly-IN

Attend EAA Chapter 297 Annual Fly-In and meet your fellow home builders and LSA airmen. Also attend the First Flight Seminar. After years of constructing your "home-built" aircraft, the day finally arrives to perform the Test Flight. Find how best to prepare for this exciting moment and all the safety considerations that must be made to insure you and your plane return in one piece. Learn what new considerations the FAA is allowing to insure your safety and piece of mind. Don't miss this exclusive event. Click on the link below and register TODAY.

Directions: See Map Link.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
